

S.1 Forest plot of the SMD in Natriuretic Peptides between PPCM cases and healthy controls

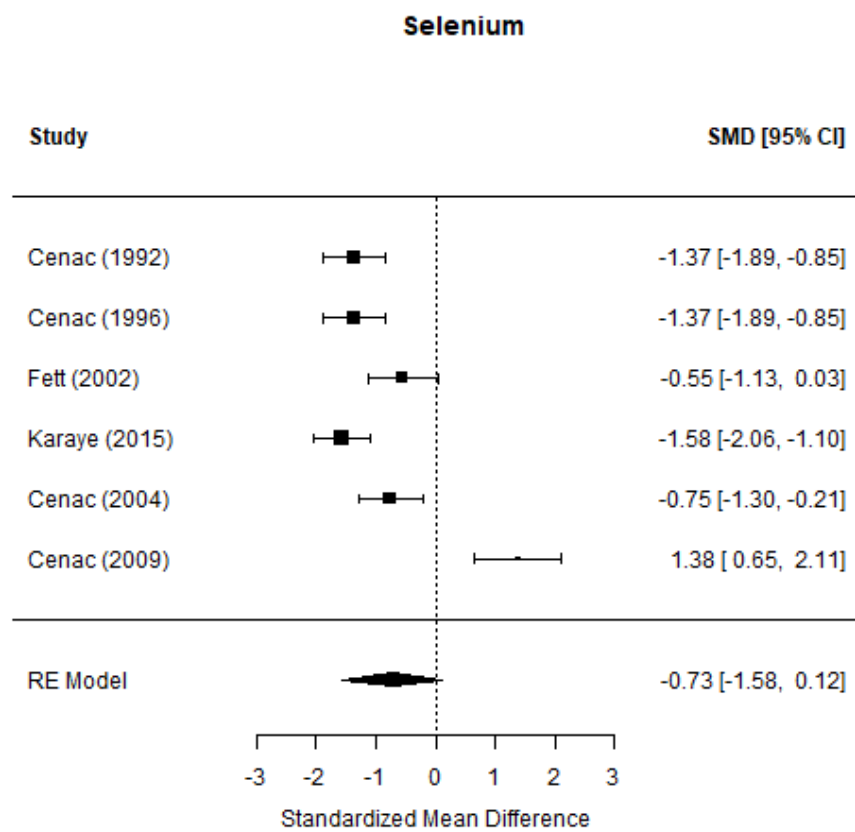

S.2 Forest plot of the SMD in Albumin between PPCM cases and healthy controls

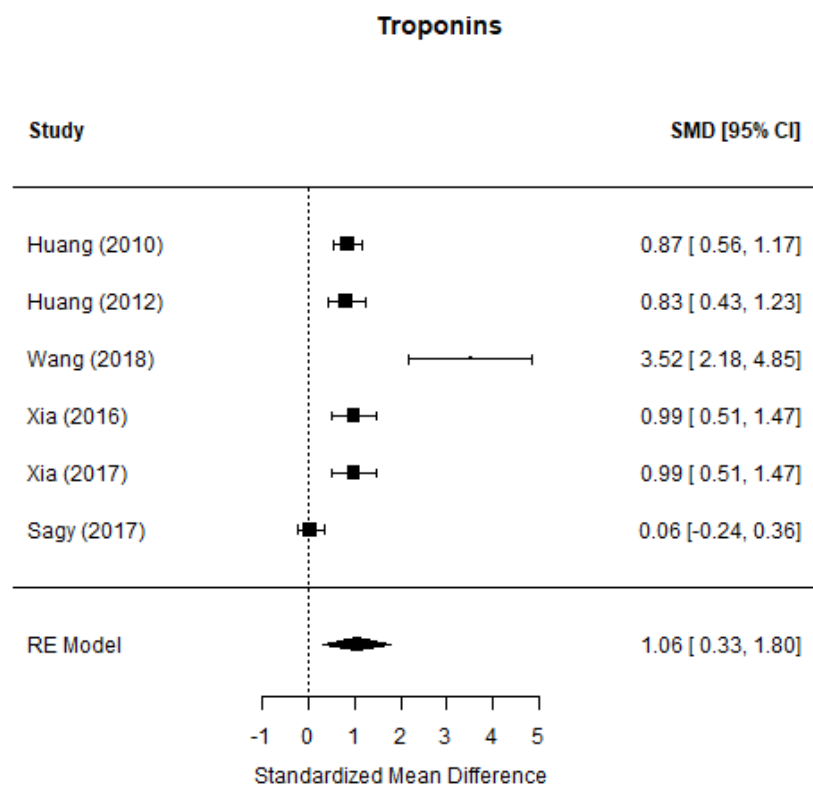

S.3 Forest plot of the SMD in CRP/hs-CRP between PPCM cases and healthy controls

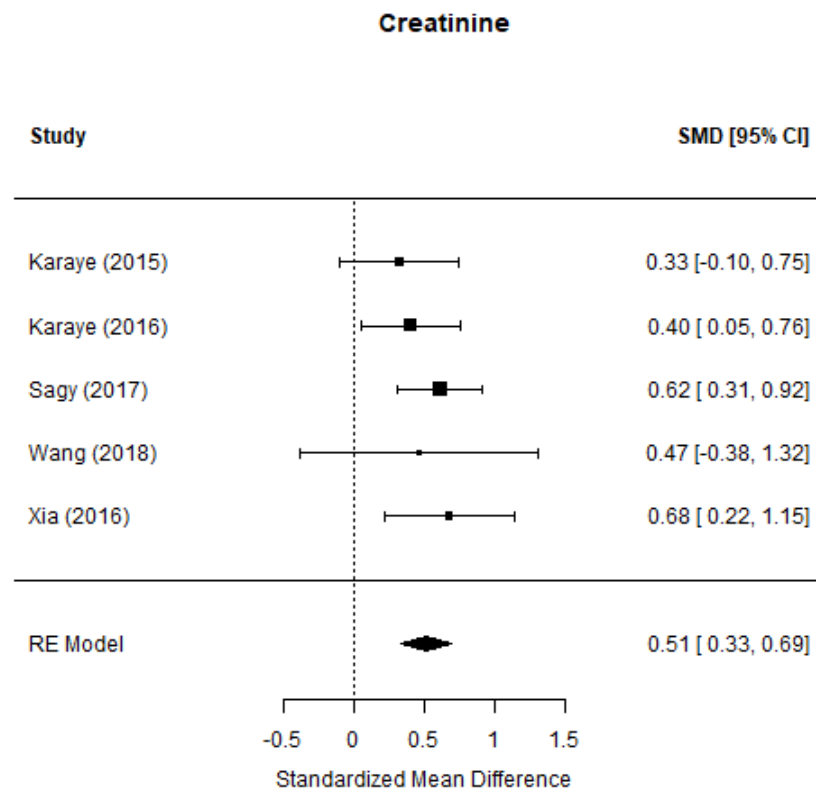

S.4 Forest plot of the SMD in Selenium between PPCM cases and healthy controls

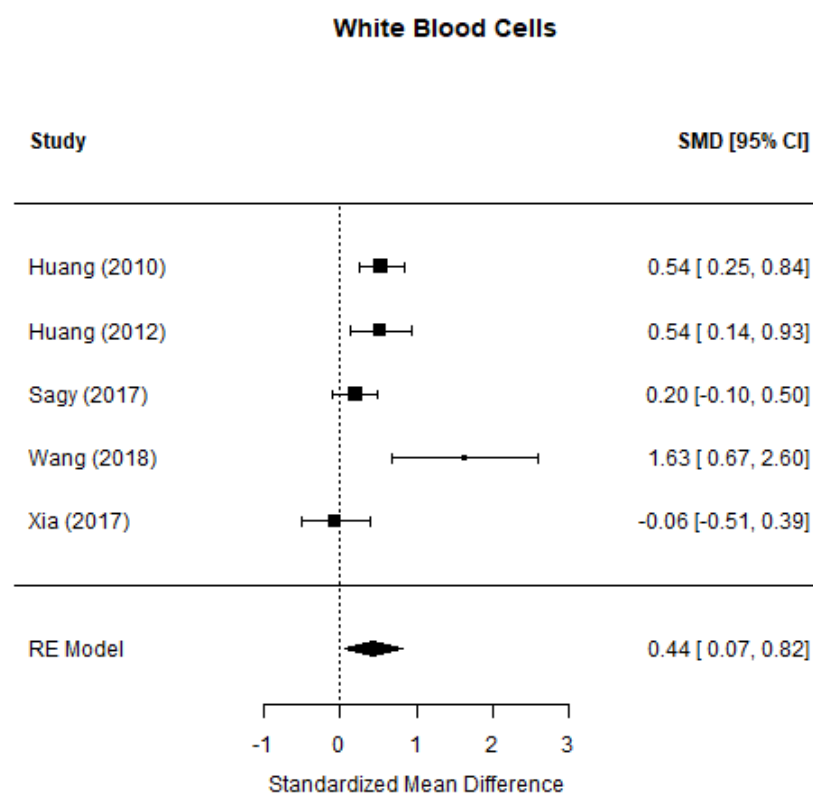

S.5 Forest plot of the SMD in Troponins between PPCM cases and healthy controls

S.6 Forest plot of the SMD in Creatinine between PPCM cases and healthy controls

S.7 Forest plot of the SMD in White Blood Cells between PPCM cases and healthy controls

S.8 Forest plot of the SMD in Haemoglobin between PPCM cases and healthy controls
